Dear CMA Charity Applicant

Thank you for your recent application to be part of Comrades Marathon Association AmaBeadiBeadu charity drive. We enjoyed getting to know about the substantive amount of work your organization is doing to make South Africa a better place. The decision-making process was a difficult task, with many organisations vying for a limited number of charities CMA can afford at a time.

We are pleased to inform you that your organisation have been selected to an official AmaBeadiBeadu Charity for the upcoming charity cycle. The terms and conditions of this appointment will be described in detail in the MOU to be sent to you in due course.

Warmest congratulations on your appointment and best wishes on your fundraising efforts.

Yours Sincerely,

Keletso Totlhanyo
